PUBLIC COMMENT

There was no one present for public comment.
1) **Discussion and possible action regarding street naming procedures for Lander County and other matters properly related thereto:** District Attorney Angie Elquist presented a draft Street Naming Committee Manual for the Board’s consideration; and noted the following for the record:

"You review this manual and then we'd do a resolution with the County Commissioners. The process would be where it starts at the Planning Department -- they request the street names. Then it comes before you guys as a Board to recommend it to get approval. That way you don't have to do an ordinance."

There was general discussion of how the new street naming procedure would work for the future creation of streets/roads in Lander County. Ms. Davis moved to defer this matter for further review to the next meeting. Seconded by Mr. Price, the motion was voted and carried unanimously.
